"It's a question of stewardship; it's our responsibility to be good stewards of each other and of the earth. Proposal 3 will help put people back to work and protect our environment for generations to come."

~The Rev. Daniel Richards, Episcopal priest and pastor

Mary O'Neil  
Emily Springsteen  
Liz Kirkwood  
Ann Rogers  
Jennifer Schaaap  
Donna Oppewal  
Grant Parsons  
Nancy Dotlo

"We just installed a 9KW solar system that will generate 98% of the annual electricity needs for our entire business, preventing hundreds of pounds of carbon production that would have otherwise contributed to further pollution that is negatively impacting the health of our Earth."

~Angela Macke, Light of Day Organic Teas

Kate Gallup  
Jo Anne Beemon  
Jeff Toonen  
Alex Graeff  
Tara Ward  
Jerry Dennis  
Margaret vonWalhausen

"Michigan workers and Michigan infrastructure bringing clean energy to the state. Sometimes it makes sense for the people to direct the Legislature."
