Bardenhagen Farm

Farmer: Jim and Jan Bardenhagen

Jim's Nickname: Mr. Apple or Mr. Potato

Products: GingerGold, HoneyCrisp and Gala apples. Sweet and Balaton cherries, organic and transition tart cherries. Table grapes, apricots, and red currants. New potatoes: white Superiors, dark red Norlands, and Michigan purple. Fingerlings and Russets.

Favorite Tool: Pallet Jack and Electric Utility Cart

Why do you love farming? It's a good lifestyle. I like carrying on the tradition. You get to try a lot of unique things like new production techniques, delivering, packing, and marketing, and it's filled with excitement.

What are you proud of? We have loyal customers that come right to the farm. The relationships we have with other farmers and our customers is something of which we are proud.
