

LOCAL FOOD & FARM GUIDE

GRAND TRAVERSE COUNTY

Taste the Local Difference is built upon a decade of research on the local food system in Northwest Michigan. TLD builds new markets for farmers and other producers by connecting them to consumers and educating the public about the importance of locally grown food to the economy and the environment.

This TLD Food & Farm Guide is one in a series of map-based guides covering the entire Northwest Michigan region. Be sure to collect the other maps as you travel. They are designed to showcase the depth of our agricultural community, and to provide a reference for eating locally throughout all the seasons.
